# Bringing a new level of disabled access across the city.

---

## Want your business to be part of a revolution?

Join now, promote yourself to more customers and help make Coventry one of the most inclusive cities in the UK. Coventry is proud to be the first to offer a citywide deployment of the accessibility solution assist-Mi for disabled users and we want you to be a part of it.

 grid. your smarter city.

**assist-Mi® is a comprehensive assistance tool for disabled users on the go, offering greater flexibility when accessing everyday goods and services.**

**It's the simple solution to disabled access, whilst catering for all disabilities with it's fully accessible and easy to use app. All you need is an internet enabled device.**

## **assist-Mi gives your business the opportunity to:**

- 1. Plan and anticipate the arrival of disabled visitors.**
- 2. Offer a fully accessible and inclusive service.**
- 3. Open your doors to more than 50,000 disabled people in Coventry.**
- 4. Receive additional promotion through assist-Mi and the Coventry led initiative.**
