

# Chatter Cards

## Nursery Rhymes 2

**Chatter Cards are designed to be taken with you when you are out and about. You could take them on the bus, attach them to the pushchair using the silver ring, or keep them in your bag.**

**You can take cards on and off the ring, make and add your own cards, or stick them on the fridge to remind you to take time to talk today!**

**Be careful that the silver ring is closed properly so that it can't hurt your child.**

**This set of Chatter Cards is about Nursery Rhymes, which help children's speech & language development through repetition, gesture, rhythm & rhyming. The pictures on the cards help the children choose. The words on the back are for adults to read if they forget the words!**

**If you would like some advice or support about a child's speech & language development, please contact your local Family Hub.**
