

# #VOC council get creative

Lucy is a good person.  
She is always friendly to everyone.  
When Lucy sees that somebody is sad, she cheers them up.  
She is very good at gymnastics.  
Lucy wins a gold award for her gymnastics.  
She went home and told her mum she won a gold award and her mum was very happy!  
When Lucy wins any awards, her mum takes her out for a treat.  
For this award, mum took her to the funfair and Lucy saw her friends.  
Lucy and her friends went on a big, fast ride.  
Lucy also ate some delicious candyfloss.  
As a treat, Lucy's mum took Lucy and her friends to KFC on the way home and let her friends stay for a sleepover and they had a midnight feast of popcorn, crisps, chocolate and ice cream.  
It was a really fun day!
