

Dear Councillor

We like it when you...

Make us your priority;

ensure all the needs of children in care are met to the highest possible standard, just as you would your own child.

Be there for us, so

we can constantly improve our outcomes.

Listen to us, make

our needs a priority in the decisions made about us.

Be a good

communicator, make sure all councillors know & understand their responsibilities as a corporate parent.

Encourage us,

commit to us to ensure we achieve our potential.

Give us the opportunity,

to discuss and provide feedback on the quality of care & services we receive.

Get to know who we

are, build relationships and have regular meetings with children and young people in care.

Show interest,

get involved in our events, meetings, ceremonies.

Use your position responsibly;

use the power that you have to improve our lives and the services we use.

Keep us

informed, about changes and policies that affect us.

Keep your promises,

if there is something that has been agreed make sure it gets done, and we are made aware of it.

Hold Coventry City Council and its

partners accountable for the work they do with us and on our behalf.

Please Remember

- All Councillors are corporate parents
- Ask yourself, would the local care provision be good enough for your child?
- Promote the benefits of being a foster carer across the city
- Where possible promote opportunities for us to access good quality training and apprenticeships

Thank you from

On behalf of all Coventry Looked after Children

Coventry City Council
