NOTES for Taxi Medical Examination Board Members & General Practitioners

1. The Coventry Taxi Licensing Office requires a medical assessment:-
 - Before granting a first hackney carriage or private hire driver's licence; 5-yearly thereafter up to the age of 45; 3-yearly thereafter up to the age of 65 (and annually thereafter).
 - When officers at the Taxi Licensing Office have reason to doubt that a licensed hackney carriage or private hire driver or a person applying for a renewal or re-grant hackney carriage or private hire driver's licence, would meet the current Group 2 Driver's Medical Standards including C1 standard for insulin treated diabetes.
 - Before granting exemption from the requirements of the Equality Act 2010.
2. For the person to be considered fit to be licensed as a hackney carriage or private hire driver he/she must meet the requirements of the Group 2 standards, as laid down in the current Driver & Vehicle Licensing Agency (DVLA) publication for Medical Practitioners "At a Glance Guide to the Current Medical Standards of Fitness to Drive" . The "At a Glance Guide to the Current Medical Standards of Fitness to Drive" is available on the government web site www.gov.uk.
3. For the person to be considered exempt from the requirements of Part 12 Chapter 1 of the Equality Act 2010 he/she must be unable to meet those requirements on medical grounds. The Equality Act 2010 is available from the Government's Equalities Office at <http://www.equalities.gov.uk>. However, the following is a summary of the requirements. The driver must be able to:-
 - help a passenger sitting in a wheelchair to enter and egress from the vehicle;
 - transfer a passenger sitting in a wheelchair from the wheelchair to a seat and back into the wheelchair;
 - load a wheelchair as an accessory into the vehicle and
 - load passengers' luggage into and out of the vehicle
 - carry an assistance dog within the vehicle (i.e. does not have an allergy or other condition causing an aversion to dogs).
4. Any relevant tests (e.g. exercise/ECG) that are required in order to support the assessment must be undertaken and a record of the results made available if required.
5. Any fees charged in connection with this medical assessment, including any fee(s) charged for additional test(s), are payable by the person receiving the medical unless, by prior agreement, the Taxi Licensing Office has agreed to pay.
7. The Medical Practitioner who conducted this medical assessment examination must be a qualified GP and may, with reasonable notice, be required to support their medical judgement by giving evidence during appeal proceedings in the Magistrates' or Crown Court.
8. In order to meet our 'Quality Management' obligations we cannot accept photocopies of this form. The City Council logo must be correctly displayed for this form to be considered valid.
9. On completion of the certificate the applicant may return it in person to the Taxi Licensing Office or it can be returned by post, marked "Private and Confidential", to the address below.
