20th October 2023

Dear Sir/Madam

Admissions Policy 2024 Entry

As required by the Admissions Code, Rugby High School has published its proposed admissions policy for 2024 entry and has initiated a consultation period which will run from Monday 23rd October 2023 to Monday 4th December 2023.

Please would you bring this admission consultation to the attention of the relevant schools, academies, nurseries, governors and parents within the areas covered by the priority circle in Coventry, by displaying these arrangements on the City Council's website.

Copies of the policy and the catchment area map can also be viewed on the school website at www.rugbyhighschool.co.uk under Admissions.

If anyone wishes to comment on this policy, they should write to Mrs J Jarman, Governance Professional, at the school address before the deadline of midday on 4th December 2023.

Yours sincerely

Mark Grady
Headteacher
