Suggested wording for newspaper advertisement:

Application under the Environmental Permitting (England and Wales) Regulations 2010

The company known as Federal Mogul Sintered Products Ltd., Holbrook Lane, Holbrooks, Coventry, CV6 4BG has applied to Coventry City Council for a permit to operate an installation and process using electric induction furnaces for the melting of ferrous alloys (those containing iron) and subsequent process using water to cool molten metal and with associated emissions extracted to atmosphere. In accordance with the Environmental Permitting Regulations 2010, Schedule 1, Part 2 Activities, Chapter 2 Production and processing of metals, Section 2.1 Ferrous Metals, Part B(b)(i)"

The application contains a description of any foreseeable significant effects of emissions from the installation on the environment.

You may obtain copies of the application, plans and any other documents by contacting the following and a copy will be sent to you.

Environmental Protection Team, Regulatory Services, Coventry City Council
Room 314, 3rd Floor, Broadgate House, Coventry, CV1 1NH

Tel: 0500 834 333 / 02476 831424

Email: env.protection@coventry.gov.uk

Anyone who wishes to make representations about this application should write to Environmental Protection, Room 314 Broadgate House, Broadgate, Coventry, CV1 1NH or env.protection@coventry.gov.uk within 20 working days from the date of this notice. Any written comments will be placed on the public register unless they include a statement requesting that this is not done. If there is such a request the register itself will just include a note that representations have been made which are not on the register because of such a request.
