Dear Mr Timms

Pollution Prevention & Control Act 1999 and the Environmental Permitting (England & Wales) Regulations 2007

Re: Application to Surrender Permit PPC/046

I write with reference to your recent application submitted on your behalf by Ken Coombes of Workshop Consultancy Services Ltd to surrender your permit (reference PPC/046) that covers your vehicle refinishing in your current Technical Centre.

I can inform you that having reviewed the application I am satisfied that all the relevant information has been submitted and can confirm that the surrender of Permit PPC/046 will be effective as of **30th June 2008**.

Please note I will be not be able to refund the subsistence fee for the 2008/9 financial year for this permit when the surrender has taken effect.

The permit for your new Training and Technical Centre (Permit ref PPC/183) has been prepared and following consultation with Mr Coombes and David Metcalfe I will be issuing this shortly.

Please do not hesitate to contact me should you wish to discuss this matter.

Yours sincerely

Neil Chaplin
