Dear 

### **Freedom of Information Act 2000**

Thank you for requesting information about Coventry and Warwickshire Gateway Proposal, which the Council received on 5 October 2013. Your request has been considered under the Freedom of Information Act 2000.

You have requested the following information;

You refer to a recent report that The City has committed or at least ear marked funding towards the construction of a vehicular bridge from the Jaguar Whitley business Park across the A45 to the area of the proposed development named the Gateway Project.

I will be obliged to know if this is the case, confirmation or not that this is from Council funds.

If not, from where these funds are earmarked.

**The Council has not allocated any monies to a bridge over the A45 and it would be anticipated that any such scheme would be paid for by the developer.**

Please note, under the Re-Use of Public Sector Information 2005 Regulations you are free to use this information for your own use or for the purposes of news reporting.

However, any other type of re-use under the Regulations, for example; publication of the information or circulation to the public, will require permission of the copyright owner and may be subject to terms and conditions. For documents where the copyright does not belong to Coventry City Council you will need to apply separately to the copyright holder.

If you wish to apply to reuse the information you have requested or have any other issues relating to this request please do not hesitate to contact me.

You have a right to make representations about the outcome or handling of your request – in the first instance this must be made in writing within 40 working days of the date of this letter, to the Council's Information Governance Team at:

Council House, Room 21a
