Dear [REDACTED],

Freedom of Information Act 2000

Thank you for requesting information about children being taken into care where obesity was cited as a factor in the care proceedings, which the Council received on 17th October 2013. We are considering this under the the Freedom of Information Act 2000 ("The Act").

You have requested the following information:

How many children did you take into care (either interim or full) in the last financial year 2012/13 where the obesity of the child was cited as a factor in the care proceedings? If so please give (a) the age of the child and (b) the BMI of the child.

It has been established that the Council does not record information relating to obesity as a category in the care proceedings. Thus, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Act, that states:
