Dear

Freedom of Information Act 2000

Thank you for requesting information about motorcycle and moped parking, which the Council received on 10 April 2014. Your request has been considered under the Freedom of Information Act 2000 ("The Act").

You have requested the following information:

"Please could you let me know how many allocated motorcycle/Moped parking spaces there are within the Coventry City Centre? I am only interested in how many there are at the present time. I am also only particularly interested in allocated spaces that are denoted by correct signs on the ground or with an adjacent sign, thereby leaving no ambiguity to the owner of the vehicle as to whether or not it is legal to park in the place in particular."

There are two parking places for motorcycles / mopeds in Coventry City Centre. One is located on New Union Street and is marked by signs combining diagrams 801 and 804.4 of the Traffic Signs Regulations and General Directions 2002. The second parking place is on Salt Lane and is marked by a sign to diagram 804.4. Both parking places are not accessible by car.

Please note, under the Re-Use of Public Sector Information 2005 Regulations you are free to use this information for your own use or for the purposes of news reporting.

However, any other type of re-use under the Regulations, for example; publication of the information or circulation to the public, will require permission of the copyright owner and may be subject to terms and conditions. For documents where the copyright does not belong to Coventry City Council you will need to apply separately to the copyright holder.
