Dear [REDACTED]

Freedom of Information Act 2000

I have received your request for further clarification on the distribution of Citivision magazine which I received on 20 November. This has been considered under the Freedom of Information Act 2000.

You have requested the following information:

For the September 2014 issue a breakdown of the actual dates that the magazine was delivered to each of the CV and postcode sectors.

I can confirm that the September distribution started on 20 September 2014 and all 140,000 copies were distributed to post codes CV1 – CV6 by Wednesday 8 October 2014. This was a few days later than the two week timescale referred to in my previous letter as the distributors have been delivering additional copies since July.

However the Council does not have a more detailed breakdown of distribution by individual post codes, thus we are unable to provide any information relating to this and informing you as required by Section 1(1) (a) of the Act.

If you have any other issues relating to this request please do not hesitate to contact me. If you are unhappy with the outcome or handling of your request you should write to us within 40 working days of the date of this letter:
