Dear Sir/Madam

Environmental Information Regulations 2004 (EIR)
Request ID: REQ01416

Thank you for your request for information relating to long distance aqueducts.

Your request:

Southern Water are reviewing their policies in relation to screening long distance aqueducts, under Part 10(l), Schedule 2, of the Town and Country (EIA) Regulations 2011. We wish to review recent practice in the application of the EIA regulations to this type of project. To assist us we request that you provide the following data for your Authority for the years 2011 to 2015 inclusive:

1) For each long distance aqueduct project voluntarily submitted as an EIA Development:
   1a) Your reference number for the development.
   1b) The length of the aqueduct.

2) For each EIA screening request made under Part 10(l), to your Authority:
   2a) Your reference number for the request.
   2b) The length of the aqueduct.
   2c) The decision, i.e. EIA Development or Not EIA Development

3) Any long distance aquifer projects identified by your Authority as requiring EIA Screening but not already within the two categories above:
   3a) Your reference number for the request.
   3b) The length of the aqueduct.
   3c) The decision, i.e. EIA Development or Not EIA Development
There are no aqueducts in Coventry.

Please note, under the Re-Use of Public Sector Information 2005 Regulations you are free to use this information for your own use or for the purposes of news reporting.

However, any other type of re-use under the Regulations, for example; publication of the information or circulation to the public, will require permission of the copyright owner and may be subject to terms and conditions.
