Coventry City Council received an additional £1,226,000 capital grant in 2018/19 from the Pothole Action Fund. This money was in addition to the annual allocated budget for road maintenance and was used for road maintenance, particularly pothole repairs, road patching, and road resurfacing.

How the additional funding was used:

**Activity**
- Carriageway Resurfacing
- Carriageway Patching
- Carriageway Reactive Pothole Repairs
