Dear [REDACTED]

Freedom of Information Act (FOIA)

Thank you for requesting information about Smartphones. Your request has been considered under the Freedom of Information Act 2000.

You have requested the following information:

The council supplies certain of its employees with smartphones: I wish to know how much was spent by the council in the last financial year replacing smartphones lost by council members.

Response:

If a smartphone is lost (or broken) the Council's policy is to supply the council member with a replacement phone which is already held within our department/system

Therefore our systems do not hold information on costs of replacing smartphones, and thus we are unable to provide any information relating to Question 1 above, and are informing you as required by Section 1(1) (a) FOIA.

Please note, under the Re-Use of Public Sector Information 2005 Regulations you are free to use this information for your own use or for the purposes of news reporting.

However, any other type of re-use under the Regulations, for example; publication of the information or circulation to the public, will require permission of the copyright owner and may be subject to terms and conditions. For documents where the copyright does not belong to Coventry City Council you will need to apply separately to the copyright holder.

If you wish to apply to reuse the information you have requested or have any other issues relating to this request please do not hesitate to contact me.

If you are unhappy with the outcome or handling of your request you should write to us within 40 working days of the date of this letter:
