Families **talk** now

Chatter Cards are designed to be taken with you when you are out and about. You could take them on the bus, attach them to the pushchair using the silver ring, or keep them in your bag.

You can take cards on and off the ring, make and add your own cards, or stick them on the fridge to remind you to take time to talk today!

Be careful that the silver ring is closed properly so that it can't hurt your child.

This set of Chatter Cards gives you something to talk about when you are out with your child. They help develop your child's talking & listening skills.

If you would like some advice or support about a child's speech & language development, please contact your local Family Hub.
