

Ending Female Genital Mutilation in Coventry

Female Genital Mutilation (FGM)

is recognised internationally as a violation of the human rights of girls and women. **FGM** has been proven to have a devastating impact on women's and girl's emotional, physical, and mental health and well-being.

I pledge to

tackle FGM by

- ☐ Supporting culture change
- ☐ Supporting communities to oppose FGM
- ☐ Protecting girls at risk
- ☐ Raising awareness
- ☐ Supporting women affected by FGM
- ☐ Supporting the law
