Dear Sir/Madam

#### **Environmental Information Regulations 2004 (EIR) Request ID: REQ02525**

Thank you for your request for information relating to Waste services/ Waste facility/planning applications for waste development.

- 1. Do you have any current/planned requirements for Energy from Waste facility/Waste to Energy facility/waste incineration facility within your authority area that will take commercial and industrial as well as household waste?**
- 2. If so are there any current planning applications ongoing?**
- 3. If so can you provide their reference number and current status?**
- 4. If there are no current planning applications ongoing do you know if/when you will be issuing any Invitation To Tenders (ITT) for the above mentioned facilities?**
- 5. And what method will you use? EG via a portal such as Proactis/Procontract?**

Response:

We are currently in a contract with CSWDC (<http://www.cswdc.co.uk/>) for use of the waste to energy facility which is jointly owned by Coventry City Council and Solihull MBC until 2041.

We do not have further need for a contract for this disposal route, therefore are not involved in any planning applications or tender processes.
