Dear

**Freedom of Information Act 2000 (FOIA)
Request ID: REQ05395**

Thank you for your request for information relating to Eastern Green Public Consultation rights.

Your request and our responses are outlined below:

In our brief we were told that a public consultation meeting with local residents and a survey were put out to gather public opinion on the project, in order to create a new community we'd like to know what the general consensus was on the existing plan.

The consultation event and masterplan were prepared and held by the site promoters and not the Council. To assist you, we can confirm that the promoters are Hallam Land Management and the current outline application with details is linked below:
