

There is more to your local community pharmacy than a place to pick up medicines.

Community Pharmacies across Coventry and Warwickshire offering health advice and support without an appointment.

# THINK PHARMACY FIRST

## Medicines

Dispensing and advising on your medication

## Common Illness

Provide advice and treatments for minor illnesses such as coughs, colds, aches and pains

## 85% of local pharmacies

are Healthy Living Pharmacies and have a Health Champion and provide help and advice

## Medicines use checks

Checks on medicines and help when prescribed new medicines for the first time or with a long term health need

**Over 200** Community Pharmacies across Coventry and Warwickshire supporting Year of Wellbeing

**Access to information** about being healthy plus signposting to other services e.g checks such as blood pressure and blood glucose

**Some additional services** are provided such as:

**All pharmacies** have a room to use to talk to you in private

**Helping you** to manage any long term health conditions including medication, healthy lifestyles and reducing risk of complications
