

Binley Cycleway - Amendments made following consultation

- Gulson Road junction alignment will be adjusted to accommodate better connection to the toucan crossing to Gosford Green
- Gulson Road left turn into Sky Blue Way to be banned to improve flow and capacity for motor vehicles and shorten waiting time for pedestrians and cyclists accessing Gosford Green.
- St. George's Road alignment and position of carriageway ramp changed
- Pedestrian Crossing on Sky Blue Way near A444 roundabout amended to give better access to Gosford Green from cycleway
- Stoke Green (west) cycleway link onto main cycleway amended to enable continuous footway for pedestrians.
- Hedgerow to be installed between cycleway and carriageway between Stoke Green (west) and Bull's Head Lane
- Binley Road widened to allow a right turn lane to be maintained at junction with Stoke Green (east)
- Cycleway alignment improved towards Bull's Head Lane parallel crossing
- Extra cycle parking added outside Bull's Head pub
- Central splitter island removed from Iceland / Lidl car park egress
- Hedgerow to be installed between cycleway and carriageway between Church Lane and Bromleigh Drive
- Access and egress for general traffic between Binley Road and Bromleigh Drive to be separated by a large splitter island to improve safety and operation of junction
- On-carriageway marked cycle lane heading west from Brindle Avenue to be upgraded to widened Shared Use pedestrian and cycle path

- Hipswell Highway cycleway spur to be on west side of carriageway rather than east
- Segregated Cycleway to be added on west side of Allard Way connecting into junction
- Alignment of cycleway within Dorchester Way loop to be amended to minimise impact on tree loss and maximise opportunity for improved planting.
- Alignment between Dorchester Way (north) and Clifford Bridge Road to more closely follow current pedestrian desire line
- Clifford Bridge Road southbound bus stop north of Dorchester Way to be moved closer to Dorchester Way to improve access and allow better bus stop bypass alignment
- Hospital access junction toucan crossing amendments to be reduced to minimise deliverability risks and road work requirements

The section of the route between Brookvale Avenue and Tesco access roundabout (Clifford Bridge Road) is to be reconsulted on with proposed amendments and so are not included in this summary report.
