Hoarding Best Practice Framework and Guidance

Hoarding One Minute Guide

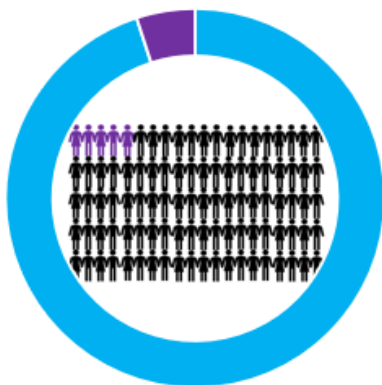

Information on how to report an adult safeguarding concern

Visit the Enabling Spaces Website, an Occupational Therapy led service dedicated to working with individuals affected by hoarding disorder. Training and consultation also available on request.

Visit Children of Hoarders, offering support and advice to the families of those that hoard.

Visit the West Midlands Fire Service website for information on safe and well checks

It is estimated that between 2% to 5% of the population hoard

■ Total population ■ % of the population who hoard

This equates to at least **1.2 million** households across the UK. Of Coventry's population of 379,387, **between 7587 and 18,969** are estimated to hoard.

It is estimated only **5%** of people who hoard come to the attention of statutory agencies.

Working with people who hoard can cost anywhere from **£1000 to £60,000**
