Detail of the protocol for each period (for example provision of indoor accommodation or street level assistance with water and suncream).

The Coventry SWEP information on provision is accessible via this link:

https://www.coventry.gov.uk/homelessness-1/severe-weather-emergency-protocol-swep-extended-winter-provisions

We therefore do not have to provide the information as per Section 21 of the FOIA.

Detail of whether using the protocol led to the adaptation of existing services. For example, were there temporary closures/suspension of existing services to open up new provision.

Coventry City Council commission The Salvation Army to provide SWEP provision, in addition to other services. SWEP provision does not result in the suspension of other existing services.

If additional bedspaces were provided, were they offered to people beyond the period that SWEP was active for.

Through the Protect and Vaccinate Grant, an additional 10 units of accommodation were provided in addition to SWEP for the duration of the winter.

Number of people assisted in each period.

The tables below show the number of people that accessed SWEP services on each night during cold weather provision. It may be that an individual is recorded more than once in each SWEP period, if they stayed for more than one night. We do not have records of the number of people accessing the hot weather SWEP services.
