Dear Sir/Madam

Request ID: FOI463039126

Thank you for your request for information relating to success of new park and ride at memorial park .

You have requested the following information:

1. The numbers of people using Park and Ride at memorial park before parking charges introduced and numbers of people using the same service since parking charges have been introduced.

The Council started charging from July 2021, so we are only able to provide information after this date. We are therefore advising you as per Section 1(1) of the Act that we do not hold information prior to this date.

Furthermore, please note that we can only provide information by number of tickets – see below:

- July to March 2021-22, 406 tickets @ £1.00
- April to November 2022-23 246, Tickets @ £1.00

To assist you, we advise you to contact Stagecoach for information held before this date. They can be contacted on the following email:

We also advise there are also other factors when considering the impact of the parking charges on

the park and ride facility, for example the (receding) pandemic, varying use of the park over City of Culture, an exceptional long hot summer and etc.
