

Inspire Mathematics

	Half Term 1			Half Term 2	
Emerging	Numeracy Skills	Algebra: Expressions, Functions, Formulae and Equations		Decimals and Measurement	Handling Data: Averages and the Range Collecting, Analysing and Displaying Data.
Secure				Area and Volume	
Mastery	Indices and Standard Form			Circles, Pythagoras' Theorem and Prisms	
	CHRISTMAS HOLIDAYS				
	Half Term 3			Half Term 4	
Emerging	Fractions, Decimals and Percentages	Probability		Revision and Assessment	Ratio and Proportion
Secure					
Mastery					Compound Measurements
	EASTER HOLIDAYS				
	Half Term 5			Half Term 6	
Emerging	Lines and Angles	Sequences, Graphs and Inequalities		Transformations	Revision and Assessment
Secure				Real Life Graphs	
Mastery	Comparing Shapes			Constructions
