

Whitmore Park Annexe will be welcoming guest speaker **Dr Phil Jemmett** from WMG The University of Warwick on

Tuesday 20th February
9.30 - 11.00

Everyone welcome

Come and explore the Science of Materials :Harder, Better, Faster, Stronger and what they might mean to:

- engineers
- scientists
- the curriculum
- Explore examples of innovative products and technological breakthroughs that show off one of these words
- Link curriculum knowledge to real world, practical examples

Any questions? See Miss Glenn for more details.
