

Adult Social Care Stakeholder Group is welcoming new members!

The group is open to anyone who has recent experience of Adult Social Care, anyone caring who has had experience of Adult Social Care and any voluntary organisations that wish to be involved.

We cover a number of topics:

- Using experience to influence change
- Upcoming developments in Adult Social Care
- Policy documents
- Social Care reforms and what that means in practice

If you'd like to have a friendly informal chat about the group, to find out more and how you can get involved then contact: getinvolvedasc@coventry.gov.uk

The group will ordinarily meet bi-monthly for two hours. Meetings will take place no earlier than 10.30am and will be held either virtually or in the city centre in an accessible venue.
