Dear Sir/Madam

**Environmental Information Regulations 2004 (EIR)**

**Request ID: FOI615926536**

Thank you for your request for information relating to Council E-Waste.

You have requested the following information:

**I'm looking to make a Freedom of Information request regarding the amount of E-Waste collected and recycled / disposed of over an annual period for the most recently available data.**

**Clarification: I am looking at e-waste as defined as discarded electronic appliances such as mobile phones, computers, and televisions, collected from homes and businesses, in tonnage, for the financial year 2023-2024**

The Council does not have a trade waste service so there are no collections from businesses. The Council operates a bulky waste service for residents who wish to dispose of electrical items and we also have a public waste site.

We do not collect or have separate disposal figures for mobile phones.

The tonnage figures for recycling are below for 2023-2024:

Fridges & Fridge-freezers: 250.86  
Computer screens & TV's: 91.49  
Large domestic appliance: 69.20  
Small domestic appliance: 313.30
