A Practical Introduction to Hospitality & Catering

This course is 1 day per week for 6 weeks for students in Years 7-11. Part of our Toolkit for Life programme, this course is designed specifically for disengaged pupils.

Highly inter-active, pupil-centred, and

Highly inter-active, pupil-centred, and 'hands-on' with practical activities. Have you ever wanted to appear on "Junior Master Chef' or run your own café or restaurant?

During the sessions you will be introduced to the Hospitality and Catering Industry and will:

- Learn key catering skills
- Make (& eat!) food dishes from around the world
- Learn the skills needed to run a food establishment

Whilst doing the activities, you will develop skills in:

- Listening
- Speaking
- Problem-solving
- Staying positive
- Aiming high
- Teamwork
- Time management
- Creativity
- Planning
- Research and leadership
- Hygiene and safety.

If you'd like to discuss any of the above, please call:
