Dear Sir/Madam

**Environmental Information Regulations 2004 (EIR)
Request ID: FOI684065814**

Thank you for your request for information relating to Cost to produce the Brownhill Green Conservation Area Project.

You have requested the following information:

Members of Allesley Parish Council would like an FOI request confirming how much the Brownhill Green Conservation Area Project (including the Brownhill Green Conservation Area Map, the Brownsill Green Conservation Area Appraisal and the Brownsill Green Conservation Area Management Plan documentations) cost and how was this project funded.

We advise that work to initially identify the area as forthcoming as a Conservation Area was undertaken through the production of the 2017 Local Plan; work was then undertaken during late 2021 and 2022 to produce, consult upon and establish the Brownhill Green Conservation Area, this being inclusive of the production of assessments, management plans and mapping.

The works were entirely undertaken by in house resource of the City Council through its Conservation and Planning Policy Teams, with the only minimal additional expenditure being costs to enable the placing of notifications in the press in line with legislative requirements.

The supply of information in response to a FOI/EIR request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission. Similarly, information supplied can also be re-used for the purposes of news reporting. An exception to this is photographs.
