Dear Sir/Madam

**Freedom of Information Act 2000 (FOIA)  
Request ID: FOI704813011**

Thank you for your request for information relating to Children's Homes data.

You have requested the following information:

**I am submitting a request under the Freedom of Information Act 2000 regarding children's homes within your local authority. Specifically, I would like to request the following information:**

**1. The number of registered children's homes currently in operation within your local authority.**

21.

**2. The number of unregistered children's homes known to be operating within your local authority.**

Coventry City Council do not operate any unregistered Children's Homes and there are no private homes that Coventry City Council have been notified of.

**3. The total number of children currently placed in:**

**a. Registered children's homes**

61 children are placed by Coventry in a children's home.

## **b. Unregistered children's homes**

We are unable to report the actual number of children to protect confidentiality as the total number of children is less/fewer than five. This has been done as the Council considers that this information meets the definition for personal data set out in Section 3(2) and 3(3) of the Data Protection Act 2018 (DPA) as:

(2) personal data means any information relating to an identified or identifiable living individual (subject to subsection (14)(c))”

(3) “Identifiable living individual” means a living individual who can be identified, directly or indirectly, in particular by reference to –

(a) an identifier such as a name, an identification number, location data or an online identifier, or  
(b) one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of the individual.”

The Council thus considers that the requested information is caught by the exemption to disclosure contained in Section 40 (2) of the FOI Act and the related first condition of Section 40 (3).

A disclosure made under FOIA is judged to be to the wider world. The individuals involved, would not reasonably expect that their details would be disclosed in this way. It may also constitute a breach of the DPA principles.

The supply of information in response to a FOI/EIR request does not confer an automatic right to re use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission. Similarly, information supplied can also be re used for the purposes of news reporting. An exception to this is photographs. Please contact us if you wish to use the information for any other purpose.
