Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI720705901

Thank you for your request for information relating to Progress on traffic improvement at Long Lane/Tamworth Road.

You have requested the following information:

Please give details on planned date to commence work at junction of Long Lane and Tamworth Road (previously told a double island as part of Keresely link road would be installed).

Previous FOI responses have reported numerous delays, are these delays due to environment, developers, funding or something else?

In response to your request, we confirm the double roundabout is still required to be constructed as part of the planning approvals for the developments. We are currently working with an external consultant to bring forward the necessary planning application

The supply of information in response to a FOI request does not confer an automatic right to re use the information. You can use any information supplied for the purposes of private study and non commercial research without requiring further permission. Similarly, information supplied can also be re-used for the purposes of news reporting. An exception to this is photographs. Please contact us if you wish to use the information for any other purpose.

For information, we publish a variety of information such as: [FOI/EIR Disclosure Log](#), [Publication Scheme](#), [Facts about Coventry](#) and [Open Data](#) that you may find of useful if you are looking for information in the future.

If you are unhappy with the handling of your request, you can ask us to review our response.

Requests for reviews should be submitted within 40 days of the date of receipt of our response to your original request email: infogov@coventry.gov.uk

If you are unhappy with the outcome of our review, you can write to the Information Commissioner, who can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or email icocasework@ico.org.uk.

Please remember to quote the reference number above in your response.
