Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI713966279

Thank you for your request for information relating to Homeless as a result of losing their home as a result of mortgage repossession.

You have requested the following information:

Please could you tell me how many people have presented themselves to the council as homeless as a result of losing their home as a result of mortgage repossession in each of the past three financial years (2022-23, 2023-24 and 2024-25) and how many, in each of those years, how many of those who presented as homeless because of mortgage repossessions have since been homes.

Please could this information be provided broken down on a year-by-year basis.

The table below shows the number of households who approached the council as they were homeless due to mortgage repossession, and the outcomes of their application, based on the date that they approached the council for assistance:

	2022/23	2023/24	2024/25
Open case	0	1	5
Housed	6	6	3
<u>Other</u> outcome	2	4	2
Total	8	11	10

Please note – this does not include households who approached the council for assistance at the Prevention Duty stage and who's application was resolved at the Prevention Duty stage (as they would have been threatened with homelessness, rather than having become homeless and lost their home).

The supply of information in response to a FOI/EIR request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission.
