9. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

It is essential that Coventry residents have the opportunity to be included and heard in decisions that have significant and long-term implications for the future of the city. The planning process should be open, transparent, and reflective of a broad range of perspectives, rather than being determined by a limited group of decision-makers. Greater public participation helps ensure that outcomes are balanced, fair, and in the best interests of the wider community.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
