Name or Organisation:

3. To which part of the Local Plan Review does this representation relate?

Paragraph Policy

4. Do you consider the Local Plan Review is:

(1) Legally compliant	Yes	X	No	
(2) Sound	Yes		No	X
(3) Complies with the Duty to co-operate	Yes	X	No	

Please tick as appropriate.

5. Please give details of why you consider the Local Plan Review is not legally compliant or is unsound or fails to comply with the Duty to Co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan Review or its compliance with the duty to co-operate, please also use this box to set out your comments.

The University is supportive of the theme of Policy EM14 but consider that it is unsound in relation to how part 2a is currently worded.

It is considered that a single target for all non residential building types as set out in part 2a is likely to be under ambitious for some uses and potentially challenging for others.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan Review legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-

compliance with the Duty to Co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan Review legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The University would suggest that the wording of this policy is considered as to whether it can be amended to reflect how a single target may be applied to varying types of development, given their different characteristics.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues they identify for examination.

7. To which part of the Sustainability Appraisal (SA) report does this representation relate?

Paragraph

Please add any further comments relating to the SA report in the box below

(Continue on a separate sheet /expand box if necessary)

8. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

☐

No, I do not wish to participate in hearing session(s)

☒

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

9. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

The University consider that given their extensive landholdings within Coventry and their own climate change and net zero carbon aspirations, they will be a valuable contributor to discussions between the Council and Inspector in relation to Policy EM14 and how it may be applied.

(Continue on a separate sheet /expand box if necessary)

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
