Name or Organisation:

3. To which part of the Local Plan Review does this representation relate?

Paragraph Policy

4. Do you consider the Local Plan Review is:

(1) Legally compliant	Yes		No	
(2) Sound	Yes		No	X
(3) Complies with the Duty to co-operate	Yes		No	

Please tick as appropriate.

5. Please give details of why you consider the Local Plan Review is not legally compliant or is unsound or fails to comply with the Duty to Co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan Review or its compliance with the duty to co-operate, please also use this box to set out your comments.

Policy H6: Affordable Housing (5) expects an element of affordable housing as part of PBSA proposals. Despite the viability scenario testing we believe that this approach will not be deliverable in many circumstances and therefore suggest that the policy includes a "subject to viability" clause to allow for all eventualities. Further, sub policy (11) refers to scenarios where affordable housing cannot be physically secured on site, not when a financial payment in lieu is the policy's affordable housing preferred route. It should therefore be made clear that (11) applies to PBSA tenures.

6. Please set out the modification(s) you consider necessary to make the Local Plan Review legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the Duty to Co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan Review legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues they identify for examination.
