Policy GE2: Green Space 1. States:

Development involving the loss of green space that is of value for amenity, recreational and/or community use will not be permitted unless specifically identified as part of a strategic land use allocation ...

Yet strategic land use allocations such as in Strategic Policy H2: Housing Allocations and Strategic Policy JE2: Provision of Employment Land and Premises, may have areas of green space, particularly informal green space, as categorised in the adopted Coventry City Council Green Space Strategy (2019-2024) that is intended to be protected by Policy GE3.

Policy GE2 and Policy GE3 appear to conflict with each other, and sites such as Local Wildlife Sites and Local Nature Reserves may not be afforded the protection that was intended by Policy GE3 if the wording of Policy GE2 remains the same.

You will need to say why each modification will make the Local Plan Review legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
