3. To which part of the Local Plan Review does this representation relate?

Paragraph Policy

4. Do you consider the Local Plan Review is:

(1) Legally compliant	Yes	Y	No	
(2) Sound	Yes		No	N
(3) Complies with the Duty to co-operate	Yes	Y	No	

Please tick as appropriate.

5. Please give details of why you consider the Local Plan Review is not legally compliant or is unsound or fails to comply with the Duty to Co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan Review or its compliance with the duty to co-operate, please also use this box to set out your comments.

To ensure that the Plan is sound, including by being justified based on proportionate evidence, and effective in terms of dealing with strategic matters, Network Rail requests that reference to the West Midlands Strategic Advice 2022 and relevant emerging local studies is made in Criterion 2 of the draft Policy AC6, to be read alongside the West Midlands Rail Executive Rail Investment Strategy and Midland Connect Strategic Transport Plan currently listed in this criterion.

It should also be noted that the list of key transport priorities and projects listed in the Policy is not exhaustive and other opportunities could arise. So that the draft Plan is justified and effective, it should be referenced in the Plan that due to the changing landscape of the rail network (with HS2 being a good example of an ongoing variable), the projects listed may be subject to change in the future and other priorities may also arise over the Plan period. For example, the Coventry to Birmingham New Street rail corridor could emerge as a key potential transport project as the future of HS2 and the rail needs of the West Midlands become clearer.

Please see separate letter for further details.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan Review legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the Duty to Co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan Review legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please see response to Question 5 and separate letter for further details.
