3. To which part of the Local Plan Review does this representation relate?

Paragraph	5.32 on	Policy	Policy JE5: Industrial & Storage / Distribution Development
-----------	---------	--------	---

4. Do you consider the Local Plan Review is:

4.(1) Legally compliant	Yes	<input type="text" value="√"/>	No	<input type="text"/>
4.(2) Sound	Yes	<input type="text"/>	No	<input type="text" value="√"/>
4 (3) Complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text" value="√"/>

Please tick as appropriate.

5. Please give details of why you consider the Local Plan Review is not legally compliant or is unsound or fails to comply with the Duty to Co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan Review or its compliance with the duty to co-operate, please also use this box to set out your comments.

The policy relies on an understanding that the sites identified are sufficiently flexible to meet a wide spectrum of potential future needs. We are unsure if this exercise has been undertaken? It may be too restrictive to accommodate all growth scenarios and types of future employment needs over the whole plan period .While the aims of this policy are recognised it is not made clear in the wording whether the aim is to consider “local employment “ needs or whether this is an overarching policy that could apply to all industrial and storage /distribution including “strategic needs” .The latter would be particularly relevant for the undistributed element of industrial or warehousing type uses .If these uses are not located at the sites listed under Policy JE2 then the criteria simply seems to apply standard development management principles to determining location and could be seen as unnecessary.

6. Please set out the modification(s) you consider necessary to make the Local Plan Review legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the Duty to Co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan Review legally

compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
