4. To which part of the Local Plan Review does this representation relate?

Paragraph

Policy

5. Do you consider the Local Plan Review is:

	Yes	No
(1) Legally compliant		
(2) Sound	Yes	No
(3) Complies with the Duty to co-operate	Yes	No

Please tick as appropriate.

6. Please give details of why you consider the Local Plan Review is not legally compliant or is unsound or fails to comply with the Duty to Co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan Review or its compliance with the duty to co-operate, please also use this box to set out your comments.

Policy H2 Housing Allocations includes Table 6.2 that identifies the sites to be allocated for housing development. It includes rolling forward of many sites in the adopted Local Plan. The large sites that were greenfield (and until the adoption of the 2017 Local Plan, largely in the Green Belt) are listed first.

Some sites within the Keresley SUE, Proposal H2.1, are damaging and do not have any planning permission. The Masterplan for Keresley SUE which is supposed to be complied with (Policy H2(2)) has not been used to control

development. The Keresley SUE is being developed without the full infrastructure and facilities required by the Plan.

Sites in the Keresley SUE (H2.1) which do not have a planning permission should be de-allocated and returned to the Green Belt. See objections by local interests and residents in the Keresley area.

(Continue on a separate sheet /expand box if necessary)

7. Please set out the modification(s) you consider necessary to make the Local Plan Review legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the Duty to Co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan Review legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Sites in the Keresley SUE (H2.1) which do not have a planning permission should be de-allocated and returned to the Green Belt. See objections by local interests and residents in the Keresley area for details.

This should be included in the box entry for H2.1 Keresley SUE.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues they identify for examination.
