4. To which part of the Local Plan Review does this representation relate?

Paragraph

Policy

5. Do you consider the Local Plan Review is:

	Yes	No
(1) Legally compliant		
(2) Sound	Yes	No
(3) Complies with the Duty to co-operate	Yes	No

Please tick as appropriate.

6. Please give details of why you consider the Local Plan Review is not legally compliant or is unsound or fails to comply with the Duty to Co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan Review or its compliance with the duty to co-operate, please also use this box to set out your comments.

The Plan applies the output from the HEDNA (2022) and proposes Local Housing Need for Coventry for the period 2021-2041 as 29,100 houses (1,455 per annum). The HEDNA covers Coventry and the five Districts of Warwickshire. However, for the Warwickshire Districts notably Warwick and Stratford-upon-Avon, which are at Reg.18 stage, new (Dec 2024) NPPF policy requires the use of annual housing numbers using the new standard methodology ('NSM') which are on a different basis.

This is all the more justified because the differences between old Standard Method (SM) and the NSM balance Coventry against the 5 Districts closely:

Dwellings per annum (DPA)

Coventry 1694	old SM: 3082	NSM: 1388	-
Warwickshire (all 5 Districts)	old SM: 2315	NSM: 3907	+1592

The HEDNA and the supplementary Review of Coventry's Housing Need (June 2024) conclude that the annual housing requirement for Coventry is 1455 houses (para 3.9). This is very similar to the NSM's target (1388). There is joint working on housing requirements between Coventry and the Warwickshire Districts and the Duty to Cooperate requires this. Using two different methodologies for the one Housing Market Area and sub-region is not justified.

The housing need for Coventry should be 1,388 dpa; for the Plan Period 27,760 dwellings (not 29,100). This should not be described as a minimum.

Policy DS1(1)(a) should be amended to state

Policy DS1: Overall Development Needs

1. Over the Plan period 2021-2041 significant levels of housing and employment will be planned for and provided along with supporting infrastructure and environmental enhancements:-

a. 27,760 additional homes....

(Continue on a separate sheet /expand box if necessary)

7. Please set out the modification(s) you consider necessary to make the Local Plan Review legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the Duty to Co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan Review legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues they identify for examination.

8. To which part of the Sustainability Appraisal (SA) report does this representation relate?

Paragraph

Please add any further comments relating to the SA report in the box below

(Continue on a separate sheet /expand box if necessary)

9. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

☐

No, I do not wish to participate in hearing session(s)

☐

Yes

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

10. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

To fully explain why the policy/text is not sound, to respond to the Inspector's matters and questions, to reply to the local planning authority's case, and if necessary to address or comment on the Examination statements of other parties.

(Continue on a separate sheet /expand box if necessary)

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
