

GCSE Business – Overview Year 11 one year model

OCR's GCSE (9–1) in Business is an up-to-date and engaging qualification that is relevant to the world of business today.

This qualification equips learners with the skills and confidence to explore how different business situations affect business decisions. It is a well-rounded introduction to the subject. The qualification will encourage learners to make informed choices about a wide range of further learning opportunities and career pathways as well as develop life skills that enable them to become financially and commercially aware.

The specification is divided into topics, each covering key concepts of business. The content is clear and logically laid out with a straightforward assessment model and marking criteria.

Assessment consists of two exams:

Business 1: business activity, marketing and people (50%) 1 ½ Exam Paper

Business 2: operations, finance and influences on business (50%) 1 ½ Exam Paper

Autumn Term - Business 1: business activity, marketing and people (01)	Spring Term - Business 1: business activity, marketing and people (01) Business 2: operations, finance and influences on business (02)	Summer Term - Business 2: operations, finance and influences on business (02)
