- A charge will be made for agencies who do not contribute to the Coventry Safeguarding Children Partnership for some of the training we offer. Please email cscptraining@coventry.gov.uk for further details

Cancellation Charges

- **Cancellation fees will apply to ALL agencies & training**, in the event of the delegate not attending or a substitute delegate not being identified
- It is your responsibility to let us know, in writing, if you are cancelling, please do not wait until you receive a cancellation charge.
- This applies to both virtual and face to face training.

Please Note: Declining your joining link will not be accepted as cancellation notice.

- It is the managers responsibility to inform us if a delegate is off sick or no longer for the agency.

SAFEGUARDING TOGETHER ACTION GROUP

Coventry Safeguarding Children Partnership hosts a forum for all front-line practitioners in Coventry called the **'Safeguarding Together Action Group'**, also known as the STAG.

This forum is held online on a quarterly basis and allows staff and professionals in Coventry to network with other services and people. Each STAG has a specific theme and aims to educate all professionals with new information, legislation, training and guest speakers.

To get involved with the STAG please email coventrycscp@coventry.gov.uk

Big moments last year...

Over 2,500 practitioners attended our training last year!

5* star rating across most training courses!

Key partner involvement in all of our training!

Training Terms and Conditions

Coventry Safeguarding Children Partnership have embedded training etiquette standards which can be found **on our website.**

A little
something
to remember

Your Voice Matters

*Do you work in a school? Or community group?
Or work/volunteer directly with children?*

If you answered **yes**, then we would like the opportunity to come to your organisation or school and speak directly with children and young people!

The CSCP offer a *free* bespoke face-to-face workshop targeted specifically for young people aged 8-18. The session typically involves a series of questions and activities focused on safeguarding, safety in the City, online safety and support in Coventry.

Each session is exclusively designed to meet the needs and ages of the young people participating. Sessions normally run for 1 hour with around 10 young people, however this can be adapted depending on need and availability.

If you are interested in booking a workshop, then please contact cscptraining@coventry.gov.uk

Safeguarding Awareness E-Learning

The Coventry Safeguarding Children Partnership provides an e-learning package designed for practitioners and anyone working with children and families in Coventry.

This session includes an overview of safeguarding, various types of abuse, guidance on where to find help and support, and a quiz.

All delegates will receive a certificate upon successful completion.

To access this e-learning please email cscptraining@coventry.gov.uk

Understanding Exploitation E-Learning

Addressing exploitation effectively requires both understanding and awareness. This e-learning module was created to provide businesses and communities with access & knowledge, helping them to better comprehend child exploitation.

The course will take around 30 minutes to complete

All delegates will receive a certificate upon successful completion.

To access this e-learning please scan the QR code or contact us.

Domestic Abuse Awareness E-Learning

Coventry Safeguarding Children Partnership and Coventry Public Health have co-developed a multi-agency domestic abuse e-learning package.

This session is an awareness raising module, designed to provide introductory level of knowledge and understanding around domestic abuse.

This session is suitable for anyone based within Coventry.

All delegates will receive a certificate upon successful completion.

To access this e-learning please email PHDAtraining@coventry.gov.uk

Reducing Parental Conflict E-Learning

This practical and interactive Amity e-learning module is suitable for anyone working with children, adults and/or whole families.

The course is designed to enhance your existing skills when talking about relationships with individuals or couples and will take you around an hour to finish.

Once you have successfully completed the course and quiz your certificate and Amity Relationship Toolkit will be available to download and use.

To access this e-learning please email cscptraining@coventry.gov.uk

Working Together to Safeguard Children

This session has been developed with the key points surrounding the Working Together to Safeguard Children statutory guidance. Delegates will receive specialist knowledge from a handful of trainers including representation from: Education, Health services, Children Services and Safeguarding Children Partnership.

Participants will gain an understanding of the roles and responsibilities of agencies involved in safeguarding children and the important of inter-agency co-operation and working.

Five to Thrive

Five to thrive is a framework that takes complex neuroscience and converts it into five simple things that parents and others can do to support healthy brain development in children and young people.

Central to the five to thrive approach is this set of key activities:

Respond • **Engage** • **Relax** • **Play** • **Talk**

Five to Thrive emphasises the importance of connected relationships in recovering from collective trauma

Fire Safety

West Midlands Fire Service have developed a session to help those working with vulnerable adults, children and families on how to stay safe in the home.

The session will also focus on different resources available within WMFS and how they can support families and vulnerable people.

26th June 2025

11:00am – 12:00pm

This session is available to anyone working in Coventry that would like to expand their knowledge on fire safety within the home. This session will be delivered virtually.

free

Coventry Family Valued Briefings

The purpose of this virtual session is to provide participants with an introduction to Coventry Children and Education Service's practice approach, including some of the theories, methods, techniques, and principles.

We will focus on how, as a Safeguarding Partnership, we can better work WITH children and families and we'll introduce you to Rethink Formulation, which is a tool we have introduced to support reflective practice.

The overall aim of this session is to support Safeguarding Partners to recognise Coventry Family Valued as the local authority's relational practice approach.
