Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)
Request ID: FOI765352204

Thank you for your request for information relating to City of Culture Bid Book.

You have requested the following information:

I wish to request a copy of the UK City of Culture Bid Book, as submitted when the city applied for the 2017 title of UK City of Culture.
I am seeking information on what was included in this bid book in terms of the balance between content that would be judged to be artistic/programmatic and what would be classified as data/statistics/goals/strategy. This would be hard for your teams to do, so the bid book itself is best.

Please see the attached documents.

1. The public version of the initial bid document
2. The public summary of the final bid document.

These were the official public versions and will provide the information requested regarding the balance of artistic aspects and goals/strategy etc. In addition, the following website acts as a repository for a wide range of reports (undertaken across the timeline) for the Coventry UK City of Culture 2021 Theory of Change, programming approach and evaluation programme:
