

Our vision is for people in Coventry to live their lives free from the harms associated with substance use.

Our Strategic Priorities

2025 - 2028

Reduce Drug and Alcohol Related Crimes

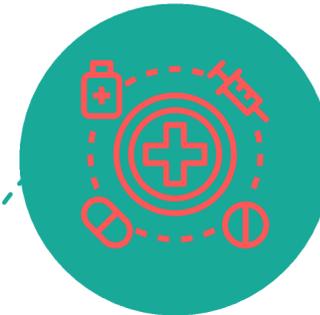

Reduce Drug and Alcohol Supply

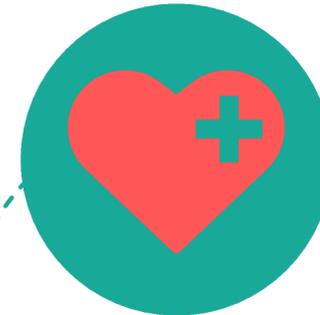

Reduce Overall Drug and Alcohol Use

Reduce Drug and Alcohol Related Harms and Deaths

Increase Engagement in Drug and Alcohol Treatment

Improve Long Term Recovery

Working with those arrested for drug and alcohol related crimes to reduce to likelihood of re-offending.

To take a public health approach to licensing and work in partnership with colleagues to support the night-time economy in Coventry

Develop and disseminate trusted information about Drugs and Alcohol for professionals, parents and young people to access

Continue development and enhancement of innovative harm reduction approaches (consider training peers and harm reduction champions)

Improve access to and develop and deliver targeted interventions for communities and individuals at risk, to include women.

Develop a vibrant recovery community and offer for Coventry, with service users and lived experience at the core

Recognising the signs and symptoms of and ensuring seamless pathways for young people and vulnerable adults involved with drugs and exploitation

Review opportunities around alcohol early intervention in primary care and other settings

Review Coventry's Naloxone provision, use and dissemination

Improve access to mental health support as part of a treatment & recovery pathway

Raising awareness of and understanding how to report concerns linked to the cultivation of cannabis and the wider impacts of this crime on the City

To explore the impact of stigma on outcomes

Identify and understand the needs of and target interventions for Coventry's unmet need population

Upskill the wider workforce around the possible impacts of trauma & the benefits of promoting and achieving long term recovery

Improve access to alcohol support and positive outcomes for those in need
