Dear Sir/Madam

**Freedom of Information Act 2000 (FOIA)
Request ID: FOI789552808**

Thank you for your request for information relating to Freedom of information request: AI guidance for schools.

You have requested the following information:

**Please provide any training, guidance or resources relating to artificial intelligence that the local authority has issued to schools since 1 January 2023.
If possible, please provide documents or links rather than summaries.**

We direct schools to government advice which can be found at the link below:

<https://www.gov.uk/government/publications/generative-artificial-intelligence-in-education/generative-artificial-intelligence-ai-in-education>.

Links to the following resources have also been shared with schools:

- Tech She Can: [Virtual live lessons](https://techshecan.org/tech-we-can) (<https://techshecan.org/tech-we-can>) Tech for Gen AI, Tech for Transport and Tech for Sport (KS2 and KS3)
- **Lion Alliance:** [Safe, Secure and Effective Use of AI in Education \(3 June\)](#) and [Mark Finnis - connecting with our learners \(4 June\)](#)
- SnapGrade: [AI marking pilot programme](#)
- Maikai have developed an AI for Schools Initiative to upskill staff in AI, data and leadership whilst supporting with AI policy and strategy. All schools in Coventry will be able to access fully

funded programmes designed by Maikai to help them manage the adoption of AI effectively and responsibly. [Please register online](#) , and look out for further information about webinars.

Coventry also commissioned a workshop during the Autumn Term 2026 and approximately 25 Headteachers attended.

Please see details below:

Using AI as a Thinking Tool

Within this session insight and thinking into how AI can be used as an effective thinking partner to support leadership will be shared. Within the session live interactions will be demonstrated with Chat GPT to incorporate:

- Using it as a reflective tool under pressure.
- Capturing leadership thinking and identifying patterns.
- Enhancing strategic thinking and taking leadership to the next level.
- How to effectively build a digital leadership profile with AI to allow for deeper interactions.
