Dear Sir/Madam

**Freedom of Information Act 2000 (FOIA)
Request ID: FOI783198806**

Thank you for your request for information relating to Cladding Remediation.

You have requested the following information:

Please provide the figures up to the latest possible date:

- 1. The total number of residential and mixed-use buildings in the council area identified as having unsafe cladding or other external wall system fire-related defects that place them in scope for remediation programmes.**
- 2. Of those identified, how many have:**
 - a. Have remediation work in progress (i.e., physical works on site)**
 - b. Completed remediation work**
 - c. Not yet begun remediation**

We can confirm that we do not hold this information and are informing you as required under Section 1(1) of the Act.

Coventry City Council does not own any housing stock as this was transferred to Citizen Housing (formerly Whitefriars) in September 2000 through Large Scale Voluntary Transfer.

This transfer also involved movement of responsibility for management of the housing stock, including repairs and maintenance and the setting and collection of rents along with any right to buy activities.

For clarity, the Council relinquished responsibility regarding these matters in their entirety as part of the transfer.

To advise and assist you further, information about Citizen Housing and their services can be found on the web site at:
