## Site location

The site is located in a desirable residential area south of the Coventry city centre, adjacent to a designated local green space and nature reserve, with the popular War Memorial Park within walking distance.

It lies within the Kenilworth Road Conservation Area, an established neighbourhood with mainly large detached and semi-detached homes.

The site is accessed via a short adopted residential road leading directly from Earlsdon Avenue South which is immediately off Kenilworth Road. The wider local area benefits from convenient access to local amenities within Earlsdon, good public transport links and direct bus routes into the city centre.

Coventry Rail station is approximately one mile away. Canley Rail station is approximately 2.2 miles.

## Site description

The site area is approximately 1.16 acres (0.47 hectares).

The site has been vacant for over 15 years and has been a cleared site since the building's demolition to slab level in around 2010. The land is bounded by established trees and hedges with Stivichall Common to the south and west.

It is within an area which largely comprises of generous proportioned detached dwellings occupying large plots.

## ■ Planning details

---

The site has the benefit of 2 separate outline planning permissions, presenting the opportunity for either a residential development comprising eight detached dwellings or a 24-unit retirement home in either C3 (Residential Dwellings) or C2 (Care Home).

Details of the outline planning permission can be found on the Coventry City Council planning portal under:

- Reference [PL/2025/0000263/OUTM](#) for the Care home
