

**Notice of Intent**  
**Proposed Speed Cushions and Raised Zebra Crossing – Brays Lane**

Notice is hereby given that Coventry City Council ("the Council"), under Section 90 of the Highways Act 1980, intends to install physical traffic calming measures in the form of a road hump, a raised table and a zebra crossing under Section 23 of the Road Traffic Regulation Act 1984.

The details of the proposed measures are as follows:

- A road hump 75mm high, to be installed approximately 48 metres south of the junction with St Agatha's Road
- Installation of a new raised Zebra crossing. A raised table (with integrated crossing) of no more than 100mm high, outside numbers 47 and 49 Brays Lane. The controlled area (zig zags) of the zebra crossing extending on both sides of Brays Lane from No. 55 northwards to numbers 41/43.

The proposed traffic calming features should assist to reduce vehicle speeds and improve road safety on this road. The Zebra crossing will aid road safety as it provides a controlled crossing point near the school.

Any person requiring more information in connection with these proposals should contact Joel Logue during normal office hours on telephone number 02476 976 6926.

A copy of this Notice and plan detailing the location of the features may be inspected on the Council's website at [www.coventry.gov.uk/tro](http://www.coventry.gov.uk/tro) and at Council House Reception, Earl Street, Coventry during normal office hours.
