Schools of Sanctuary Offer 2026-2027

Schools of Sanctuary is a UK-wide programme and award scheme to support schools to play their part in building a culture of welcome for everyone, but particularly people seeking sanctuary.

Please find below our local programme of FREE School of Sanctuary activities available to interested schools.

The first step for any school interested in becoming a School of Sanctuary is to [sign the supporting organisation pledge](#). We advise that a school takes at least a whole school year after this point before submitting an application.
